

REMARKS

These remarks are responsive to the responsive to the Notice mailed March 6, 2007 (paper number 20070220), having a One (1) month response period that expires April 6, 2007. The Notice was responsive to our amendment C mailed January 30, 2007. Amendment C cancelled Claims 7 and 12, and was for purposes of assisting with a double patenting rejection made in a related case. The Notice pointed out that the Amendment C was not responsive to the Office Action mailed November 29, 2007. As a full and complete response to this Notice and to the Office Action mailed November 29, 2006, the Applicants respectfully request the Examiner to consider Amendment D mailed February 26, 2007, rather than Amendment C.

Dated this 6th day of April, 2007.

Respectfully submitted,
